

SEN Information Report November 2024

At the Stratford Rural Schools Federation, we are inclusive schools which aim to ensure that all children achieve their potential personally, socially, emotionally and academically in all areas of the curriculum. The three schools follow these inclusive principles:

- All teachers set suitable learning challenges, enabling learners to experience success and achieve a high academic standard through appropriate differentiation.
- All teachers respond to pupils' diverse needs by creating effective learning environments: securing their motivation and concentration, providing equality of opportunity through teaching approaches, using appropriate assessment tools and setting motivational targets for learning.
- All teachers identify and strive to overcome potential barriers to learning for all pupils.

This document is intended to provide information regarding the ways all pupils are supported to realise their full potential.

Q1. Who are the best people to talk to at the Stratford Rural Schools Federation about my child's difficulties with learning / Special Educational Needs or Disability (SEND)?

The class teacher is responsible for:

- Monitoring the progress of your child and identifying, planning and delivering any additional support your child may need.
- Liaising with the SENDCo (Special Educational Needs and Disabilities Co-ordinator) about any concerns with individual / groups of children.
- Liaising with parents about any concerns with individual / groups of children.
- Ensuring the school's SEND Policy is adhered to for all pupils in the class.
